Topic: Is the Redskins Team Name Racist?

Write the initials of the person who spoke on the left and a brief summary of what you thought was important about what they said.

| Initials | Summary of ideas |
|------------------|--|
| Zoe Dickerson | Zoe thinks they should change the name, even though she is still a fan. Her mom told her that when people first heard of the Redskins they didn't associate it with racism. But when it became popular people thought it was racist. |
| Ryan Bradley | In the dictionary "Redskins" is defined as a racist term for the Native Americans |
| Bryant Mc Cleary | It's like what happened with African Americans when they called them the "N" word |
| Damian Harshew | The color of the Native American's skin doesn't mean they are weak. |
| Ryan Bradley | Back then people used the term "Redskins" in order to offend the Native Americans |
| Ryan Bradley | How do you know when the Redskin's team name is changed that society won't go attack other Indian team names? |
| Anaia Hawes | If the name should be changed then people would have talked about it when the Washington Redskins first announced their team name. |
| Maxley Yengoking | This situation is like the Rosa Parks situation |
| Zoe Dickerson | Native Americans couldn't speak their mind before (but now they can) |
| Jakai McIllwain | on dictionary, it said the term "Redskins" was a slur and people chopped Native American's heads off |
| Anaia Hawes | People still call African Americans the "n" word |
| Zoe Dickerson | the Native Americans don't call themselves the Redskins but African Americans call themselves the "n" word |
